About Dental Xcel

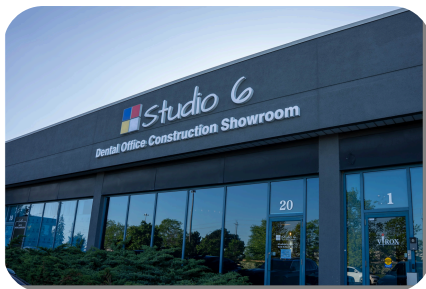

Focused on excellence, Dental Xcel is the new training provider for continuing dental education in Ontario.

Our courses are designed to support both clinical and non-clinical development, with expert presentations at the Dental Xcel Training Centre in Oakville.

We know that dental professionals are balancing responsibilities to their patients, dental practice, and their staff.

That's why, at Dental Xcel, we have made it our mission to support our growing community in the implementation of the Ontario dental code, compliant practice operations, and dental office technology, plus the latest techniques and products in the industry.

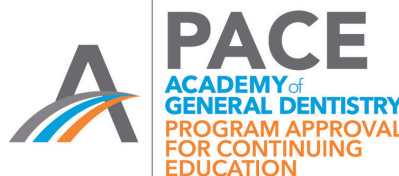

Stay at the forefront of innovation and deliver high-quality patient care with Dental Xcel.

The Dental Xcel Training Centre is located inside the brand-new Studio 6 Inc. Showroom in Oakville.

A beautiful and bespoke space, our facilities are custom-built with access to the Showroom and equipment installations.

Dental Xcel is an AGD locally approved PACE Program Provider. Contact us about your program outline and we can help you develop it to meet CE standards.
